## HOUSE INCREASES **AERONAUTICS FUND**

Score of Democrats Vote With Republicans to Provide More Airships.

APPROVES ARMOR PLANT

WASHINGTON, May 31 .- The Republican members of the House, with the ald of more than a score of Democrats. followed up their submarine victory of yesterday by increasing to-day the appropriation in the naval bill for aeromautics from \$2,000,000 to \$3,500,000.

Their efforts to prevent the adoption f the amendment to provide for the struction of a Government armor plate factory at a cost of \$11,000,000 miled. They also were unsuccessful in They also were unsuccessful in enlarging the provisions for enlisted per-connel of the navy, but their defeat in this respect was tempered by the adopon of an amendment offered by the chairman of the Naval Affairs Com-mittee adding 2.730 men to the bill, mak-ing the total only a few hundred short of that demanded by the Republicans. The real fight was over the armor plate provision, which had already passed the Senate. The adoption of the plan by the House practically insures its lusion in the final draft of the nava

Representative Butler of Pennsyl rania offered a substitute amendment providing that the cost of making armor the private plants be determined by the Federal Trade Commission and that the Secretary of the Navy be authorized to let contracts at a price not to exceed cost and a reasonable profit. The amendment was defeated by a teller vote of 180 to 125. On the amendment appropriating \$11,000,000 for a Governent plant the majority was even large

Republicans voting for the amendment were: Nelson, Wisconsin; Helgesen North Dakota; Good, Iowa; Nicholls Michigan; Haskell, New York; Cooper Wisconsin; Lenroot, Wisconsin; Morgan, Oklahoma; Kinkaid, Nebraska; Hull, Jowa; Davis, Minnesota; Young, North Dakota; Nolan, California; Cary, Wisconsin; Ellsworth, Minnesota; Dowell, lowa; Green, Iowa: Crampton, Michi-gan; McCracken, Idaho; Martin, Louisiana: Mapes. Michigan: Sweet. Iowa Ramseyer, Iowa, and Elston, California The amendment increasing the appro-priation for aeronautics was offered by

Representative Roberts of Massachusetts in behalf of the minority members of the Naval Affairs Committee. The same appeal that the submarine made to members of the House was made by the same of the Massachusetts. aeroplane. On a teller vote the amend-ment was carried by 129 to 103. ore the struggle of the minority ers of the committee for more ade

quate provision for naval personnel could waste provision for naval personnel could be concluded Chairman Padgett took the wind out of their sails by announcing that he would offer an amendment to increase the number of enlisted men by 2,730 above the number authorized by the bill. This number, he said, would provide 50 per cent. crews for the vessels in reserve and full crews for those afloat. The Roberts amendment called for 3,500 men. The Roberts amendment was de-The Roberts amendment was de A committee amendment adopted to

Washington, May 31.—Democratic members of the House Committee on Public Buildings decided to-day in defiance of the Administration to report some time in July another "porth barrel measure," making appropriations for public buildings during the present session of Congress. The decision was reached by a vote of 8 to 5. The items have not been approved, but it is estimated that the total will be between \$20,000,000 and \$30,000,000.

The action was taken with a view to determining whether the sub-committees of which there are four, should proceed which there are four, should proceed to the American to report in the financial of the European war.

Claims Credit for Wilson.
